### Letter of support

With reference to the "Letter of interest", Swedish university of Agricultural Sciences, SLU, June 15, 2012, signed by Vice-Chancellor Lisa Senneby Forsse, I hereby confirm that Stora Enso Skog supports Sweden and SLU to host the XXV IUFRO World Congress 2019.

Should this come about, Stora Enso Skog will support the arrangement of field trips and contribute with resources and locations for excursions. Stora Enso Skog has large scale harvesting and silviculture operations in Mid-Sweden where social, economic and environmental responsibilities are combined in a model for sustainable forestry on private land. We will be more than glad to contribute with arrangements to make the XXV IUFRO World Congress 2019 the best ever.

Yours sincerely,

Martin Holmgren
