Letter of support

With reference to the "Letter of interest", Swedish University of Agricultural Sciences, SLU, June 15, 2012, signed by Vice-Chancellor Lisa Sennerby Forsse, I hereby would like to express IKEA support for Sweden and SLU to host the XXV IUFRO World Congress 2019.

Should this come about, IKEA would be happy to take active part in the event in order to contribute with our international experience regarding forest policies and wood product markets, impact of forest and chain-of-custody certification as well as our partnership projects promoting responsible forest management and forest rehabilitation.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Anders Hildeman".
