### **Letter of Support to the Swedish Proposal to host the XXV World Congress of IUFRO**

With reference to the "Letter of interest", Swedish University of Agriculture Sciences, SLU, June 14, 2012, signed by Vice-Chancellor Lisa Sennerby Forsse, I would here by like to express the Vi-skogen's (Swe)/Vi Agroforestry's (Eng) support for Sweden and SLU to host the XXV IUFRO World Congress 2019.

Vi Agroforestry would happily take an active part in the event and share our experiences of 30 years work supporting small scale farmers in the Lake Victoria Basin to practice agroforestry. We believe also that our competence and practical knowledge in climate change adaptation and mitigation may be of value to the event.

Yours sincerely,

Anneli Rogeman  
Managing Director  
Vi Agroforestry
